ABOUT US

The Alzheimer's Care Resource Center is the only not-for-profit organization in South Florida that focuses strictly on meeting the needs of the **CAREGIVER!**

We help those caring for someone with Alzheimer's disease, dementia or other neurocognitive disorder, navigate the journey and manage the challenges throughout the entire disease process.

Whenever you are ready, the Alzheimer's Care Resource Center is here for you.

Remember... you are not alone.

KNOWLEDGE

FROM DIAGNOSIS...

At the time of diagnosis, we are here to answer your questions and to provide you with the programs, services, tools and resources you need as you begin navigating this new journey.

THROUGH END OF LIFE CARE.

Each step of the way, we are beside you and your family, providing you with the care and support you need most.
